15 x 6 Meter Shed + House

Located in the central part of Burnside this home comes complete with 3 bedrooms and 1 bathroom on the upper level with a sizable deck at the rear boosting a northerly aspect. Downstairs we have another bedroom, bathroom and laundry which could possibly produce a second income. So lets talk about the man cave on this property. Fully powered 15 x 6 meter shed with high ceilings. If you love to garden there are established beds on the property with their own water reticulation from 4 large rain water tanks. The home is a hardwood construction with 2kw of solar panels and hot water capacity doubled to 250 liters. Be quick is the best advise I can give you!
