

1/238 Main Road, MAROOCHYDORE

## PET FRIENDLY TOWNHOUSE

Just minutes walk to local schools, shops and in the hub of the CBD, what more could you ask for? The property is located in a small complex with this unit being one of the largest ones. The current owner has spared no expense and clearly has exceptional taste with white plantation shutters throughout the home.

The master bedroom has it's own balcony that has extensive views to Mt Coolum, an oversized walk in robe, large ensuite, air conditioning and plush carpet. Designer fans are throughout the home with 6 speed setting remotes. Crimsafe is just another significant product that makes this unit exceptional value. On the ground level the private courtyard has been finished with a quality timber deck, separate laundry and single lock up garage with remote. Be quick as this little gem will not be on the market long. Reasonable Body Corporate fee's.
