22 Stunning Acres of Self Sustainability & Privacy

Point glorious is the quintessential farmstead located at the end of a quiet country Lane. The property boasts fertile soil supporting over 13 different varieties of fruit trees and great water supply from the 6 dams, bore and tanks. Amazing North facing valley and mountain views surrounded by a multitude of lifestyle options.

Previously run with great success under the banner of point glorious farmstead camping and glamping grounds the value add infrastructure from those days still remains. If a home based business isn't your thing the property will lend itself to a myriad of other applications including small cropping, permaculture, livestock, agistment or good old-fashioned peace & privacy.

The main Steel shed is 9 by 18 m of which 6 by 9 m is fully enclosed with a wood heater allowing the perfect line the shed and live in scenario while you build your dream home on o
